Treasure Your Plot in God's Country

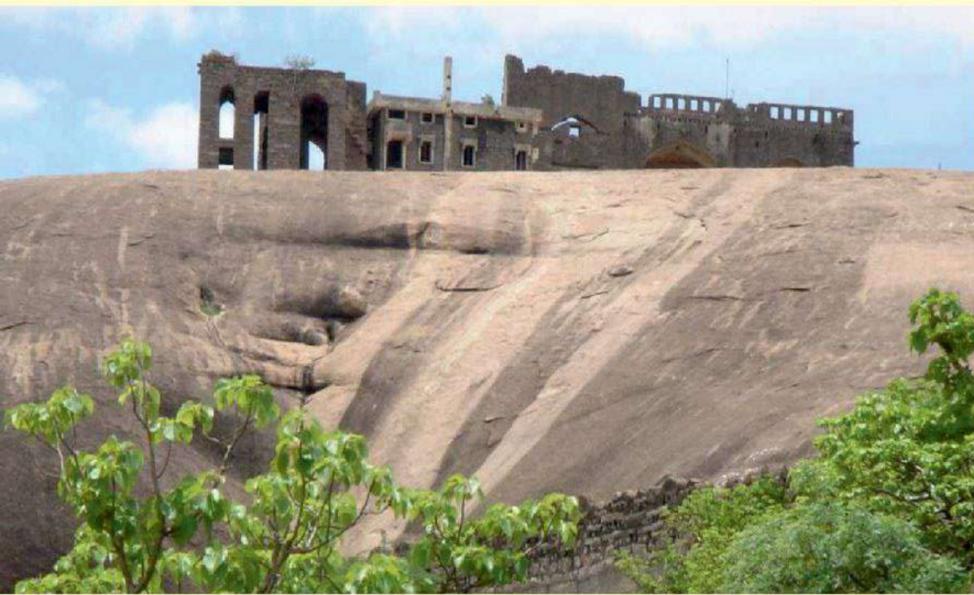

The Telanagana Government is emerging Yadadri as a major Pilgrimage and Tourist terminus on par with Tirumala temple in Tirupati. An amount of Rs 1,800 crores were billed to boost spiritual, tourism, transport, hospitality, real estate and residential development. A 7 Kms long Ring Road will be constructed around Yadadri. This growth is attracting a lot of private investments around Yadadri simultaneously.

YTDA developed 25,817 acres for residential zones, recreational facilities, water sports, Botanical Garden, arts and cultural zones. The extensive 11-acre temple complex has seven domes including a 100-foot dome, cottages, multi-level parking, and housing for the priests. The Nearby sacred hills will be developed with 4-lane roads for better connectivity.

Own Domain!

The newly shaped Yadadri-Bhuvanagiri district is creating rapid strides as Temple Tourist destination. Industries are visualized and highways are growing. The SEZs, IT Parks, national institutions are successful all along the 6-lane National Highway. Several engineering colleges in vicinity transform Bhongiri virtually a city development.
